No. 2 2005

Croydon Hills Teaching, Learning and Caring Program
(formerly Learning to Learn)

CARING

Caring about ourselves
Caring about others

Caring about our environment

SUSTAINABLE SCHOOLS NEWS

We are about to become a 5-star school

HOWIE CARES

The Sustainable School Enclosure

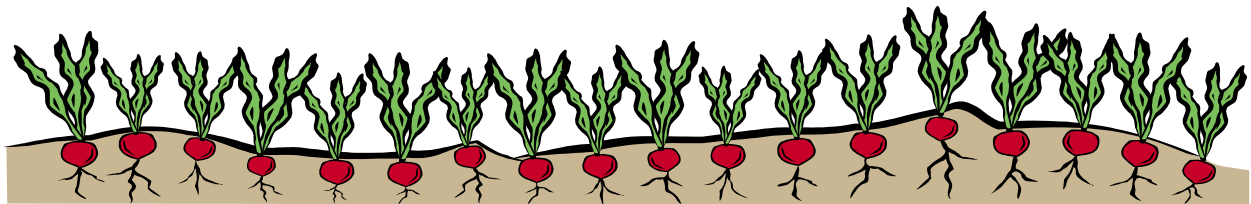

Big Parent Thankyous to

Wes Britton for assisting us with the delivery and installation of our new water tank.

Adrian Pratt for the donation of a pump for the water tank.

Darren Evans for the terrific work on the surrounding fence.

Peter Monahan for the sump pump and site preparation for the tank.

What are we going to do inside the enclosed area? Any ideas??

What will we call it? Can you think of a catchy name??

Don't forget to keep collecting those **Pauls Collect-a caps** for our sustainable schools projects and more tanks. (house points for all caps collected)

StreetLife Project- McAdam Square

Watch out for news about our exciting community forum in March. There will be visiting speakers from CERES, Maroondah Council, Eco-Recycle, Streetlife and other community campaigns. Help our school to help the local environment and the future of our students. Find out how we can become involved with our local community.

Junior Leadership Program. Eco-Captains are being selected from Year 3 students this week. 2004 Eco-Captains (now in Year 4) are to be further trained as Eco-mentors and school eco-ambassadors.

Now that we are to be a 5-star school our leaders will have important jobs to explain and present our program to visitors. Yard duty should be in full swing next week now that senior House captains have been announced.

5-star Presentation Glenn Davidson from CERES and (to be announced) some other important visitors) will present our 5-star accreditation to the school at our March 7 whole school outdoor assembly.

CLEAN UP AUSTRALIA DAY – Croydon Hills will clean up the around the school and Yarrunga on Thursday March 3rd.

Elmar Lumpreiks (Sustainable Schools coordinator) & Robyne Byron-Smith.
