

Croydon Hills Primary School

Duty of Care Policy

Purpose

The purpose of this policy is to explain to our school community the non-delegable duty of care obligations that all staff at Croydon Hills Primary School owe to our students and members of the school community who visit and use the school premises.

Policy

“Duty of care” is a legal obligation that requires schools to take reasonable steps to reduce the risk of reasonably foreseeable harm to students, which can include personal injury (physical or psychological) or damage to property. The reasonable steps that our school may decide to take in response to a potential risk or hazard will depend on the circumstances of the risk.

Details

School staff have a duty of care in relation to students. Principals, teachers and other staff working with students must take reasonable steps to minimise the risk of reasonably foreseeable harm, including by:

- providing suitable and safe premises
- providing an adequate system of student supervision
- undertaking risk assessments for school activities and events
- implementing strategies to prevent reasonably foreseeable injuries, whether physical or psychological, to students (including injuries suffered as a result of bullying)
- ensuring that appropriate medical assistance is provided to a sick or injured student
- ensuring the school complies with the Child Safe Standards
- taking other reasonable precautions to minimise the risk of child abuse by an individual associated with the school
- implementing relevant Department and local school policies
- managing employee recruitment, conduct and performance

Our school has developed policies and procedures to manage common risks in the school environment, including:

- Yard duty and Supervision
- Bullying Prevention
- CCTV
- Camps and Excursions
- First Aid

- Tree Maintenance
- Grounds Maintenance
- Student Private Property
- Child Safe Standards
- Emergency Management
- Volunteers
- Visitors
- Working with Children and Suitability Checks
- Mandatory Reporting
- Occupational Health and Safety

Our school acknowledges we are required to take reasonable precautions to prevent the abuse of a child by an individual associated with the organisation while the child is under the care, supervision or authority of the organisation.

Staff at our school understand that school activities involve different levels of risk and that particular care may need to be taken to support younger students or students with additional needs. Our school also understands that it is responsible for ensuring that the school premises are kept in good repair and will take reasonable steps to reduce the risk of members of our community suffering injury or damage because of the state of the premises.

School staff, parents, carers and students are encouraged to speak to the principal to raise any concerns about risks or hazards at our school, or our duty of care obligations.

External Providers

Staff at our school acknowledge that, as our duty of care is non-delegable, we are also required to take reasonable steps to reduce the risk of reasonably foreseeable harm when external providers have been engaged to plan for or conduct an activity involving our students. Our *Visitors Policy* and *Camps and Excursions Policy* include information on the safety and care of our students when engaged with external providers.

Duty of Care to students outside the school

In some circumstances, the duty of care owed by school staff will extend beyond school hours and outside of school grounds. Whether the duty extends outside of school hours or outside school grounds will depend on all the circumstances of each individual case, and the school staff members' knowledge of any reasonably foreseeable risks of injury.

See the 'Camps & Excursions' policy for further information
