

## Statement of Commitment to Child Safety and Wellbeing

Croydon Hills Primary School OSHC is committed to ensuring the safety, wellbeing and inclusion of all children and young people in line with the Victorian Child Safe Standards.

The service has a zero-tolerance approach to child abuse and neglect and takes all reasonable steps to prevent harm through strong leadership, clear policies and safe practices.

We are committed to promoting the cultural safety of Aboriginal children and children from culturally and linguistically diverse backgrounds and to providing a safe and inclusive environment for children and young people with disability.

Children are empowered to participate in decisions that affect them and are supported to express their views and raise concerns whenever necessary.

All Croydon Hills Primary School OSHC staff share responsibility for child safety and are supported through training and supervision to meet their obligations under the 11 Child Safe Standards.
