

Dear parent/guardian,

Croydon Hills Primary School is looking forward to another great year of teaching and learning and would like to advise you of Croydon Hills Primary School's voluntary financial contributions for 2024.

School Council has endorsed parent payments remaining unchanged from 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. Thank you for all your support, whether that's through Voluntary Contributions, fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer. **Essentially, it is your contributions that make Croydon Hills Primary School so special! Collectively your contributions allow us to provide opportunities and support above and beyond the traditional educational experience.**

Your 2024 Year 2 Voluntary Contribution of **\$358** contributes to:

- The provision of individual student book packs and general classroom stationery.
- The extensive resourcing of classroom equipment, materials, digital subscriptions, and consumables that enrich learning in English, Mathematics, Science, Visual Arts, Performing Arts, Indonesian, Physical Education, Library, Sport and Digital Technologies.
- The viability of a dedicated Specialist Science program for every child every week. This includes costs associated with Science Teachers, our reptiles, and The Farm.
- Human resourcing of atypical staff:
 - A full-time University-qualified Wellbeing Officer
 - A dedicated medically trained First Aid Officer
 - Additional Learning Enhancement (Literacy Support) Staff
 - A full-time Grounds and Facilities Officer
 - Library Specialist teacher
 - Digital Technologies teacher leaders
- The ongoing maintenance and beautification of our school grounds and facilities.
