PURPOSE

This policy supports a culture of integrity and accountability by providing a safe and confidential process for reporting wrongdoing, misconduct, or any matter that may risk the safety, welfare, or wellbeing of children within our Service. We believe that children’s safety, rights, and best interests are the paramount consideration for all Service operations, decisions and functions. Our OSHC Service ensures that child safety, wellbeing and best interests take priority over all other considerations, including financial interests or other obligations of management, and are embedded in our daily practices, policies and procedures.
