Dear Parent/Guardian,

Croydon Hills Primary School is looking forward to another great year of teaching and learning and would like to advise you of Croydon Hills Primary School's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. Thank you for all your support, whether that's through Voluntary Contributions, fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer. **Essentially, it is your contributions that make Croydon Hills Primary School so special! Collectively your contributions allow us to provide opportunities and support above and beyond the traditional educational experience.**

Your 2026 Year 6 Voluntary Contribution of **\$510** contributes to:

- The provision of **all** classroom stationery, general stationery, required year level books and texts.
- The extensive resourcing of classroom equipment, materials, digital subscriptions, and consumables that enrich learning in English, Mathematics, Science, Visual Arts, Performing Arts, Indonesian, Physical Education, Library, Sport and Digital Technologies.
- The viability of a dedicated Specialist Science program for every child every week. This includes costs associated to Science Teachers, our reptiles, and The Farm.
