

IT'S ALL ABOUT COMMUNICATION...

At Croydon Hills Primary School we value the partnership between home and school. It's about establishing and maintaining open and clear communication lines between parents, teachers and students, to ensure the best educational outcomes for your child.

We have a range of communication tools designed to make clear the communication lines between us and our school community.

Compass School Management System. This is an essential part of life at Croydon Hills PS and a must to access. You will receive your unique Username and Password. Log on to advise of absences (they go straight through to the class teacher's roll); give permission and pay for excursions, incursions and special events throughout the year; access your child's Reports each semester; schedule and book Parent Teacher Interviews to discuss your child's progress; update your email or mobile details; email your child's class teacher; receive customised news updates about school events which affect your child. It is essential that you log on to Compass frequently to keep up to date with what's happening at school!

- **Our weekly Newsletter** - all the week's news and all you'll need to know about life at our busy school. Distributed direct to your Compass landing page each Thursday, or subscribe for a direct email via the button on P1. Also sent out on Facebook and available on our website. A vital link in our communications chain.

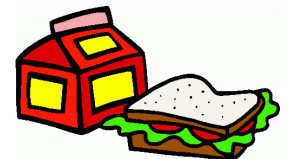

- **Join us on Facebook** to instantly catch up, in words and pictures, with what's happening in your child's class and throughout the school. Visit us at <https://www.facebook.com/pages/Croydon-Hills-Primary-School/208030342674690>.

Canteen & Uniform Orders

You can order and pay for your child's school lunches online, by 9am each morning (Mondays are online orders only). A full Canteen menu and pricelist for ordering is available at <http://www.flexischools.com.au/>.

Flexischools also allows you to order and pay for uniforms online, with a full catalogue - including photos - to choose from.

Good communication is two-way. We value your feedback and our door is always open to address concerns about any aspect of life at CHPS, particularly concerning your child's educational and social progress through the school. Please email, call or visit your child's class teacher, who will always be happy to make a time to talk to you.
