General Program Guidelines

Children must be signed in and out of the program by parent/legal guardian or authorised person over the age of 18 years of age. All children must be signed in and out of the program each day; no child is to leave the program unattended. Parents must provide a copy of any court order which relates to custody arrangements for children in care during the program. If the child has additional needs, parents are asked to provide clear and informative details so that staff can provide the best possible care for the child.

Medication

If a child is to receive medication during the day, parents must complete the medication instruction sheet. Medication must be in the original containers with the original labels and the child's name and specific dosage clearly visible on the medication. If over the counter medication is required, staff must administer as per instructions on the package. If any deviation from instructions is required, a medical certificate will be required detailing dosage.

PLEASE NOTE THAT THE PROGRAM PROVIDES NO MEDICATION OF ANY KIND.
